THE 1958 WARWICK

DEDICATION -

This year two outstanding personalities hold the place of honor in our yearbook. Each, talented in his own field, has added a great deal of beauty and color to our school. All who have come to know them have admiration and respect for their untiring efforts with the students. Our choices, with their individualities, well developed talents, good senses of humor, and winning ways have added so much to the enjoyment of our high school years. It is with great pleasure that we, the annual staff, dedicate the *1958 Warwick* to Mr. and Mrs. Barclay Sheaks.

Mrs. Sheaks is helping part of the A Cappella choir with a song.

Mr. Sheaks helps one of his students with leather work.

FOREWORD

Way back in the days when Warwick was a rural high school the student body acquired the name "The Farmers." Ever since, it has clung tenaciously to its beloved pseudonym, even when others sought to abolish it. The Staff of the *1958 Warwick* would like to introduce a new addition to their family. His name is Freddie the Farmer, and his likeness will be seen throughout the pages of this book as he takes you on a guided tour of the 1957-58 school year.

Freddie's knowledge of school life is vast and encompassing, for he has been at Warwick since the mid-twenties. He is equally at home on the athletic field or on the Warwick High School stage; in S.C.A. meetings or on the cafeteria dance floor. And, of course, no class would be complete without him. Yes, he is to be found everywhere, for Freddie represents the spirit of pride—pride for our school, our administrators, our teachers and student leaders, our way of life—that will live always in the hearts and minds of Warwick's students.

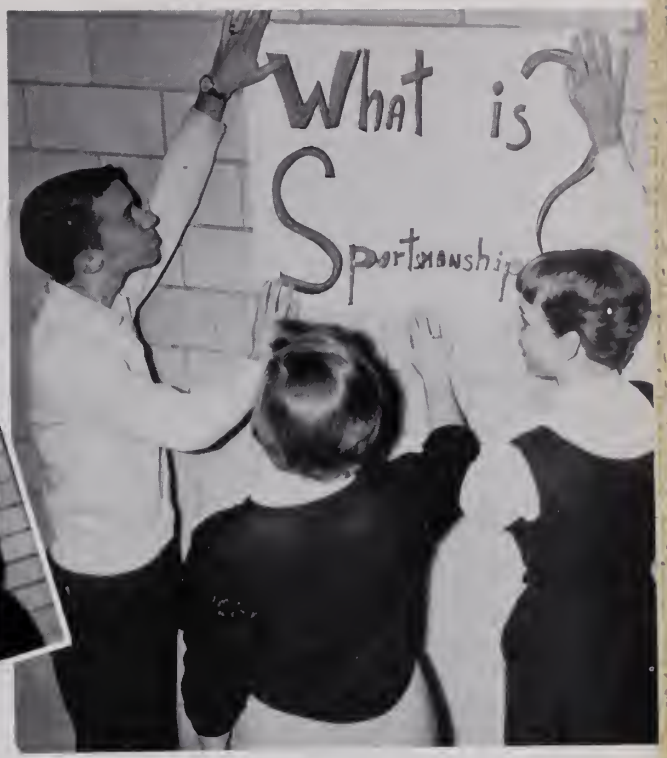
School Life begins early –

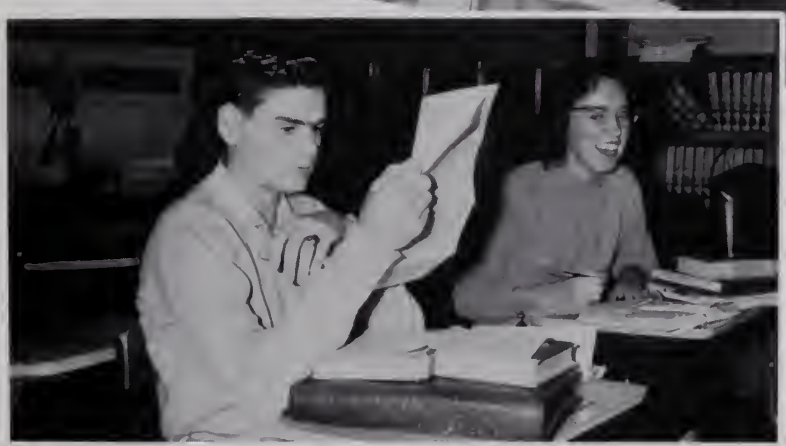
Buses bring most Warwick students.

"Info" of importance can always be found here.



Here we see students putting up posters for all to observe.

The seniors have fun talking in their special hall.



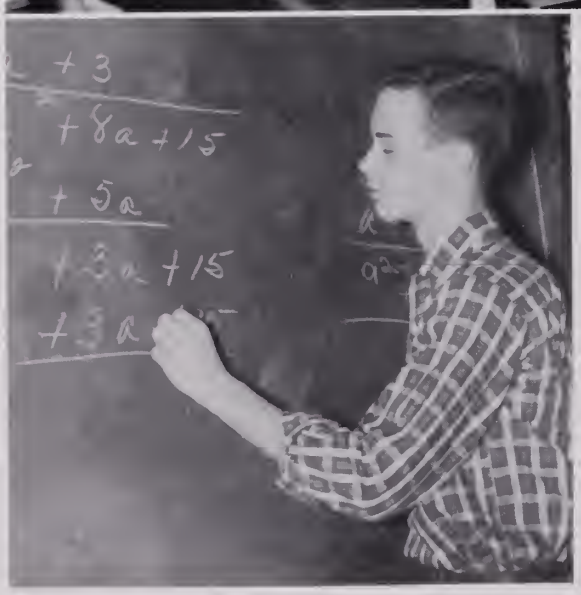
Students take advantage of the Honor Study Hall before the bell rings.

. . . . in the Halls;

Then with the Bell,

Practically all homerooms tried to begin the day with morning devotions.

Research was a vital part of the English classes.



Posters aided French students in learning their vocabulary.

Many difficulties arose when students tackled algebra.

The halls were colorfully painted with murals by our art students.

Mrs. Stewart explains to Oris Deeds "Ralph's" digestive system.

Bzzz! The machines whirred continually throughout the day.

Busy fingers hurriedly pecked away in typing classes.

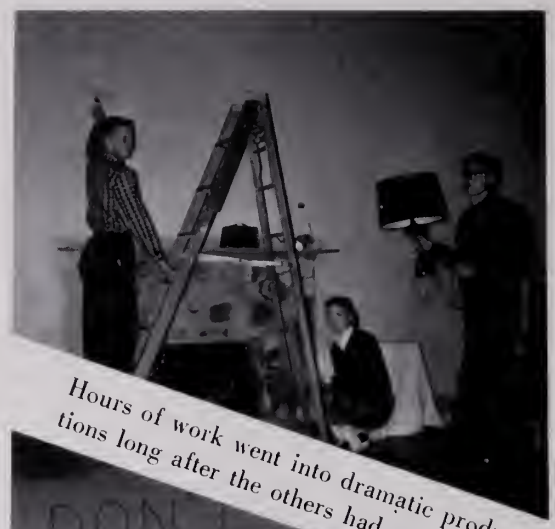
Practising plays in gym helped the teams win.

Projects and attractive bulletin boards made history a colorful subject.

Classes Awaken.

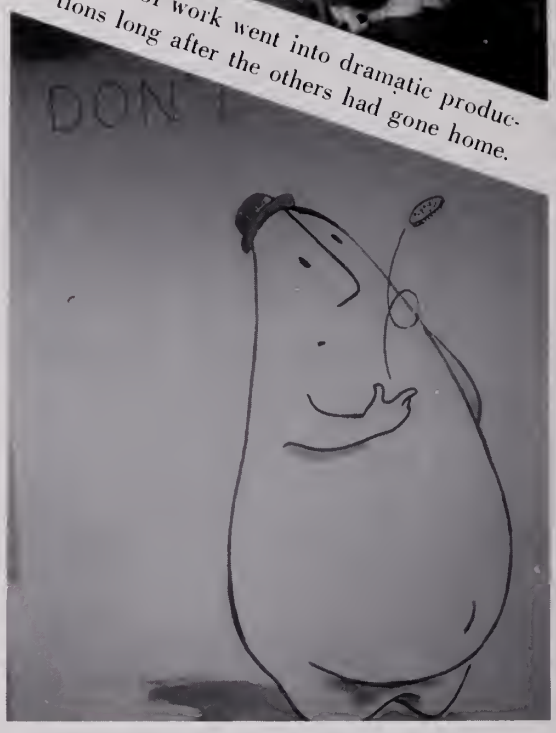
After school brings rest for some,

Doing homework in the afternoon left the evening free for fun.



Hours of work went into dramatic productions long after the others had gone home.

The afternoon meant hard work for the track team. but enjoyment for the spectators.



Many hours were spent making cute posters for the elections.

After school brought relaxation and fun for some.

Rake today, because tomorrow's the game.

Hard work for others

Night brings Enjoyment

Going to the movies with a date completed those long-awaited weekends.

With Various Activities –

The dance was a big "blast" for one little gal.

Those "gab" sessions on the phone took up a great deal of the students' free time.

The singing and the candles leave a warm place in our hearts.

Watch out—that next move may be your last!

FACULTY

Freddie would like to introduce to you our school faculty. Always around when we need them, they serve as teachers, counsellors, sponsors for our various clubs and activities, chaperones for our dances, and in general, our friends. They are a valuable part of our school life, and we owe a great deal of thanks and appreciation to them for preparing us for our future careers.

These are our Administrators,

Mrs. Margaret Winder,
Director of Instruction.

Miss Virginia Mitchell,
Director of Art Education.

Miss Ruth Haverty,
Visiting Teacher.

Mr. T. Ryland Sanford, Superintendent of Schools.

Mr. Cox presents Mr. Sanford with a life membership in the National Education Association as a gift from all the teachers in the Warwick Public School System.

Mr. T. Ryland Sanford. To the administration, the faculty, and students of Warwick, Virginia, this name means a great deal. It stands for the many improvements in our school, the varied curriculum offered, and the modern buildings..

Mr. Sanford's able assistants are Mrs. Margaret Winder, Director of Instruction; Miss Virginia Mitchell, Director of Art Education; and Miss Ruth Haverty, Visiting Teacher. Mrs. Winder has the important job of observing classes and advising courses of procedure. Unknowingly, many times the students are influenced by her advice given to their teacher. Advising and helping our art teachers with new and old ideas is Miss Mitchell, who, among other things, arranges exhibits of the students' art work. Miss Haverty, as our Visiting Teacher, has the respect of the faculty and students here at Warwick. She is known for doing her job efficiently and well.

Supervisors,

Mr. McConnell busily counts the money from the cafeteria.

Mr. Davis addresses the student body.

We often see Mr. Cox arriving at school bright and early.

Mr. M. P. McConnell,
Assistant Principal

Our principal, Mr. George W. Cox, Jr., supervises the general administration of Warwick High School. During the day his job keeps him busy doing everything from making a change in the curriculum to giving his approval of a school activity.

Helping Mr. Cox are his two assistants, Mr. C. A. Davis and Mr. M. P. McConnell. The versatile "Pop" Davis is a well-known personage around the halls of Warwick. His sense of humor and wonderful personality have made him the good friend of all. Mr. McConnell is known to students and faculty as a man dedicated to his profession. He is usually found busy working out school plans and handling disciplinary problems.

Mr. C. A. Davis.
Assistant Principal

Mr. G. W. Cox, Jr..
Principal

Office Staff

We could not do without our efficient office assistants, under the able supervision of Miss Margaret Thomas. Their numerous duties include typing, mimeographing, answering phone calls, delivering messages, and filing. So, one can easily see they're a busy group and deserve lots of credit.

Another essential group to our school is the guidance department. Headed by Mrs. Sara Geddy, these counsellors perform many duties. Their major task is conferring with students concerning class schedules, college preparation, and personal problems. They also keep records of 1400 students, direct the testing program, and arrange for College and Career Day, which proves so helpful to the students.

The Warwick High School Parent Teacher Association during the past year has used as their main theme "KNOW OUR SCHOOL." Each program has presented two or more departments in the school curriculum, showing the teachers and students in action. The association's object was to have a greater number of parents understand and appreciate the work accomplished in Warwick High School.

The association again awarded scholarships to graduates entering the teaching profession. Funds for the scholarships were obtained from the work of the Ways and Means Committee in the concession stand.

Members of the P.T.A. also chaperoned the school dances and other functions of the school.

Librarians and Assistants

Mrs. Cox, Assistant Librarian, and Mrs. Harmon, Librarian.

One of the important parts of the school is its library. Because of it, pupils are able to obtain information through research for reports and projects as well as books and magazines for pleasure reading. But where would they be with no library assistants to help them find their books and check them out? It is through the assistant librarians' work, too, that new books are ordered, arranged properly on the shelves, and attractive bulletin boards displayed. These tasks are only a few examples of the student librarians' voluntary service to our school.

ACTIVITIES

There are many different and varied activities here at Warwick High School for every interest and talent. Freddie had a hard time deciding exactly which ones to join. He found he could take his choice from being in a play to learning how to be a good librarian. These and many other activities add much to the fun of school to every "farmer" wishing to participate.

STUDENT COOPERATIVE ASSOCIATION

Charles Rideout
President

The Warwick High School student government succeeded in accomplishing nearly all of the goals set forth by the campaign speeches of the previous year. Among these were the speakers installed in the cafeteria for music during lunch and a dance after a home basketball game.

The school was well-represented in the District S.C.A. Convention at Newport News High School. The Federation, which is composed of delegates from Newport News, Hampton, and Warwick High School, was under the capable leadership of a Warwick senior, Tommy Summerell. With the help of the Federation, Warwick was host to the Federation delegates for an Exchange Student Day.

We were especially proud of our hard working Student Co-operative Association in 1957-58. The Congress, made up of representatives from the homerooms, and the Executive Council, composed of the S.C.A. officers and class presidents, often met to plan worthwhile activities in which every student was urged to participate.

S.C.A. Committees

MAGAZINE SALES

The magazine sales campaign in our school is conducted to help pay for our numerous activities. This campaign makes the sale of activity tickets possible. It is the duty of the magazine sales committee to impress upon the students the importance of the sale and to help conduct the sale.

This year the committee decided to give the "Campus Wolf" as a prize to the highest salesman in each homeroom. Then, as is the custom, the committee planned an assembly to start the sales campaign off. The assembly showed what would happen if the magazine sales flopped.

ASSEMBLY

The Assembly Committee is a joint committee composed of faculty members and students under the leadership of a faculty chairman, Mr. McConnell and a student chairman, Linda Ivins. The main objective of this committee is to provide good assemblies for the students throughout the year. It assumes responsibility especially for the various S.C.A. assemblies.

LEADERSHIP TRAINING

Everyone needs to be trained in the abilities of a leader. Some leaders are born, but the majority are made. In order for any large group to function well, it is necessary to have good leaders. Warwick is a school whose S.C.A. provides a Leadership Training Committee. This committee not only emphasizes leadership characteristics, but it also stresses the important part of parlimentary procedure in S.C.A. work. This is done through films, discussion groups, mock meetings, posters for elections, and programs presented to the Congress. "Train yourself to be a leader and strengthen your S.C.A."

Give Everyone –

PEP

The Pep Committee has done a fine job in promoting good sportsmanship and school spirit. Composed of seventy odd students who are interested in this phase of work, the committee has done many things which deserve recognition. The student section in the grandstand, the decorated goal posts, half time skits, and the very attractive bulletin boards throughout the buildings are all the handiwork of the Pep Committee.

RECREATION NIGHT

The committee sponsored three evenings of fun for the entire student body during the school year. Dancing was enjoyed by all with music furnished by the Warwick dance band and records. Ping-pong, checkers, miniature pool, and cards were the popular games. A large number of students attended, and the committee feels that the year was a success.

SAFETY

The Safety Committee for 1957-'58 was composed of approximately twelve members. Its function was to make the school safe for all students and faculty members. The committee was connected with the Safety Patrol and worked with them on many projects.

During the year, the committee sponsored an assembly and a Safety Week. They also had various exhibits in the halls of the school and on the bulletin boards in the rooms.

This year the committee has worked hard on various projects; among them the traffic problem, the fire drill procedure and general school safety.

A Chance to Participate -

SOCIAL

The Social Committee for the year 1957-1958 had for its chairman, Jean Rahn, and a committee of very conscientious workers who all helped to make the dances a success.

Throughout the year there were six dances, two of these being new additions. They were the Homecoming and Inaugural Ball.

We can certainly thank our kind and interested sponsor, Mr. Sheaks, for all his help, and Mrs. Geddy for her time during the year which made all the dances a success.

ACTIVITY TICKET

The Activity Ticket Committee worked very hard this year putting out a new type of ticket. The committee planned the ticket and had it printed themselves. The members had the job of typing up the individual names and homeroom numbers on each ticket. Approximately 825 activity tickets have been sold. This year the selling of the tickets was done through the homerooms. This large job could not have been done half as well without the co-operation of the members of this committee.

PUBLICITY

The Publicity Committee is a committee that serves the other committees by making posters and other things needed by them. It is not necessary but helpful that members of this committee have an artistic or creative mind.

Our Hard-working Ushers

The ushers of this year, consisting of ten boys and ten girls, were an energetic group who performed their regular duties capably all through the year. Their first duty came during the summer, just before school started, when they ushered the teachers at the District Convention. As soon as school started, they became very familiar with the Friday morning assemblies in which they were regularly seen. Through the rest of the year, they represented their school by ushering at the various concerts and plays. As a climax to their hard work, they ushered at Baccalaureate services and graduation where four ushers were chosen to lead the Seniors.

Ushers are selected each spring by an S.C.A. committee which takes into consideration the scholastic record, dependability, leadership, poise, and neatness in appearance of the applicants. In this honored position, the ushers of this year have well represented their school and set a fine example.

The ushers enjoy giving out programs at plays.

Pity the poor usher when the bell rings before assembly is over.

The Warwick Staff Combines –

Standing: Joanne Denton, Linda Zelle, Sue Bryan, Peggy Green, Martha Walker. *Sitting:* Despo Yeapanis, Phyllis Hockaday, Pat Fisher, Anne Stancil, Nancy Branscomb, Mrs. Grenoble.

Freddie is right at home on the Annual Staff where he was "born". His "mother". Mrs. Bruce Grenoble. worked diligently with his "ten sisters" to produce an annual for all the little farmer's friends.

Like any family. we had our trials and tribulations. We started our year out by selling ads, which was our bread and butter along with the activity tickets. Then we really got down to brass tacks preparing the heart of the annual.

Though in many ways we all worked together, each of us had an individual part of which we could be proud. Our capable editor was Phyllis. Peggy and Despo handled the business; the literary editors were Joanne and Linda; those in charge of the advertising were Nancy and Pat; Anne and Martha scheduled the pictures; and Sue did the typing for us.

A hearty thanks to Mrs. Grenoble, for only with her help and guidance was this annual possible. We all had fun preparing this yearbook for your enjoyment. Freddie and his family hope you like it!

Despo and Peggy are trying to balance the books.

Checking on copy is one of Linda and Joanne's jobs.

Pleasure and Hard Work.

Nancy and Pat happily go about doing one of their jobs by publicizing our advertisers.

The Earle Staff Continually

Lucy, *assistant editor*, and Lacey, *editor*, consult with Mrs. Roberts about THE EARLE.

Every other Friday during the school session, the fifteen members of *The Earle* Staff are seen hurrying through the halls delivering the current issue of our school newspaper. This is the product of hard work. The staff devotes many afternoons, Saturday mornings and lunch periods to the preparation and production of *The Earle*. We are rewarded for our effort if we can please the students and teachers.

The Staff work together each week of the year with one main idea—to improve *The Earle* and to make it more meaningful with each issue. We all have jobs to do such as: writing articles, typing articles, setting headlines, planning the makeup, doing the art work, selling ads.

Many times the deadline creeps upon us before we are quite ready. At times like this, *The Earle* causes headaches as well as backaches; but the 1957-58 *Earle* Staff is proud to say that the deadline has been met every time. We try to cover all the news around Warwick High School; and many of the teachers give us interesting items about the projects in their classes. Material submitted by the students themselves is always welcome. We then correct the articles and vari-type them.

We are proud to say that our paper—and we do mean *our* paper in every sense of the word, because we do all the work—is a source of pride and satisfaction to us. We have tried to relate the news to you, the students, in an interesting way and to the best of our ability. We hope that you have enjoyed reading *The Earle*. *The Earle* is your paper; without you there would be no *Earle*.

The Magazine Steadily Improves Each Year.

Our school magazine, the *Plough*, contains the outstanding literary work of the student body. The staff, composed of eighteen members, works together under the guidance of Miss Peggy Worthington. Led by Margie Olsen, our editor, we tried to select material which would be most enjoyable to all.

This year, a new class in Advanced Composition was organized in Warwick High, composed of certain selected students who are interested in writing. These students formed our staff. It was our job to edit, compile, and publish the *Plough*.

Two issues of our magazine were successfully published during the school term, a winter and a spring magazine. We ventured into some new ideas with both publications in an effort to please the students and make the *Plough* more interesting.

The printing of our magazine would not have been possible without the patient advice of our sponsor and the wonderful co-operation of the English department. We hope to improve even more next year and make Warwick's school magazine the very best.

We in the Warwick Playhouse feel that this year has been most successful, and, as always, highly enjoyable. Obtaining credits for membership entails long hours of study work, and rehearsing. But along with the tiresome hours comes laughter and experience which forms a bond of lasting friendship for our fellow drama enthusiasts.

We attended several professional plays, held group parties, and, as is the custom, presented two three-act plays, "Onions in the Stew," "The Late Christopher Bean" and also three one-act plays, all under the direction of Mrs. J. V. Eubank, dramatics director.

Without the constant labor, advice, and kindness of Mrs. Eubank, we in the Playhouse know that our accomplishments for the year, would never have been. We very gratefully thank her and the students of Warwick for their support.

The Warwick High School Band started its busy 1957-58 year by issuing equipment waking up those "vacation lazy horns," hurrying to prepare half-time football shows, and playing for varsity games.

Warwick's colorful English style band won the applause of thousands as it paraded in the Sea Food Festival Parade, and the Fire Safety Parade. With regrets, we missed the Oyster Bowl festivities, as half the band had flu; but were in fine style for the Apple Blossom Parade in Winchester.

Warwick was again host to the All-State Band tryouts in which many of our players distinguished themselves. During the Solo and Ensemble Music Festival and the Band Festival, individuals and the band both did fine work.

Among other memories, the band assemblies, the Spring Concert, the Sunday afternoon concert in the park—then the closing notes of the Recessional as the year ends—but is never forgotten.

Another year full of wonderful memories has slipped by so quickly for each member of the A Cappella Choir. We shall always remember the pleasure that was ours when we were invited to sing for different organizations. The Fall and Spring Concerts, the Christmas Candlelight Service, and the operetta were annual performances we shall remember.

As we sang "Lo' A Voice From Heaven Sounding," "Carol Noel," and "The Night Before Christmas," we were thrilled that we could be a part of the A Cappella Choir for a short time. Those same traditional selections will be sung again by the members who remain, but for the seniors the songs and the choir will be remembered as a highlight of their days at Warwick.

In remembering the choir, we wish to thank Mrs. Barclay Sheaks for her time, devotion, and effort spent in making each song a success.

Each year in the early part of September there is a meeting held during third period. This meeting is held for the Safety Patrols. Any person interested in being a patrol may attend this meeting.

The captain of the Patrols is chosen from among the seniors who attend this meeting. There are also two lieutenants selected, one each from the senior and junior classes.

The captain and lieutenants then take over the meeting. Each person is given a paper which his parents must sign, permitting the student to become a patrol. The person is given a badge and a belt; his name and bus number is taken; and he automatically becomes a bus patrol.

The persons who are interested and who ride an early bus in the morning and a late bus in the afternoon become parking lot patrols as well as bus patrols.

The Safety Patrol is, and should be, one of the most important organizations in the school. This year patrol leaders are: Captain—Billy E. Phelps. Lieutenants—Anita Booth and David Stokes.

SPORTS

Sports are an important phase of "life at Warwick." Through this program, students develop the strength and endurance essential to meeting successfully the challenges of life. They learn to function as a group, to share and plan, to appreciate their own rights and those of others, and to lead and follow.

Freddie found himself both a spectator and a participant in the varied program. He learned many things, but most significant was the respect and esteem that goes hand in hand with good sportsmanship.

Warwick High's 1957 football team held the distinction of being the only Eastern District team to defeat both Norview and Woodrow Wilson, the winner and runner-up respectively, in the district race.

In a rebuilding season, the Farmers won five games, lost three and tied one—not a bad record for a squad that depended heavily on sophomores to replace such graduated stars as Norman Snead and Lowell Vaught.

Warwick's early-season upset over Norview, 20-2, and the surprising 21-2 Thanksgiving Day victory over previously unbeaten Wilson, made Romie Hamilton's second season at Warwick a success.

Fullback Phil Webb, halfback Jim Kellum, guards Billy Black and Jim Russell, tackles Jim Shorter, and, Gene Jordan, and end Bart Partch were among the individual standouts. Webb, Shorter and Black were named to the All-Peninsula team.

The performances of sophomores Jordan and Fullback Jim Brittingham and halfbacks Rudi Schuster and John Morrisette, both juniors, gave the Farmers a bright outlook for next season.

In the month of October the Homecoming Committee began their work for the year of 1957. The committee was composed of nine members and the sponsor, Miss Patty Fardette. The co-chairman of this committee were Louanne Sellars and Carolyn Rancorn.

Through a number of meetings, the committee organized Homecoming for the night of November the fifteenth.

They decided that there would be two sophomore attendants; three junior attendants; and four senior attendants, one of whom would be chosen by the football team to be Homecoming Queen for 1957-58.

The girls wore dark suits and carried bouquets of yellow chrysanthemums. The queen, Anne Wilson, carried a dozen red roses.

Nine cars were borrowed from various patrons to be used at the half-time ceremonies. One girl and her escort were in each car.

To begin the ceremony, the band gave a very good performance and formed a "W" with the help of the cheerleaders. Then each member of the Homecoming Court took her place in the appointed car. The girls representing the sophomore class led the procession, followed by the juniors and last, the seniors. The girls and their escorts were cheered as they took their places on the field. Then the queen rode out and completed the form of a "V". While on the platform, she was crowned Queen of our Homecoming for the year 1957-58 by Coach Romie Hamilton. After the singing of the Alma Mater, the queen and her court left the field, followed by the attendants.

Mary Jane McGrath, Anne Wilson, Joanne Denton, Judy Roberson, Irma Ireland, Linda Ivins, Camp Tolley, Barbara Wells, Juanita Cherry.

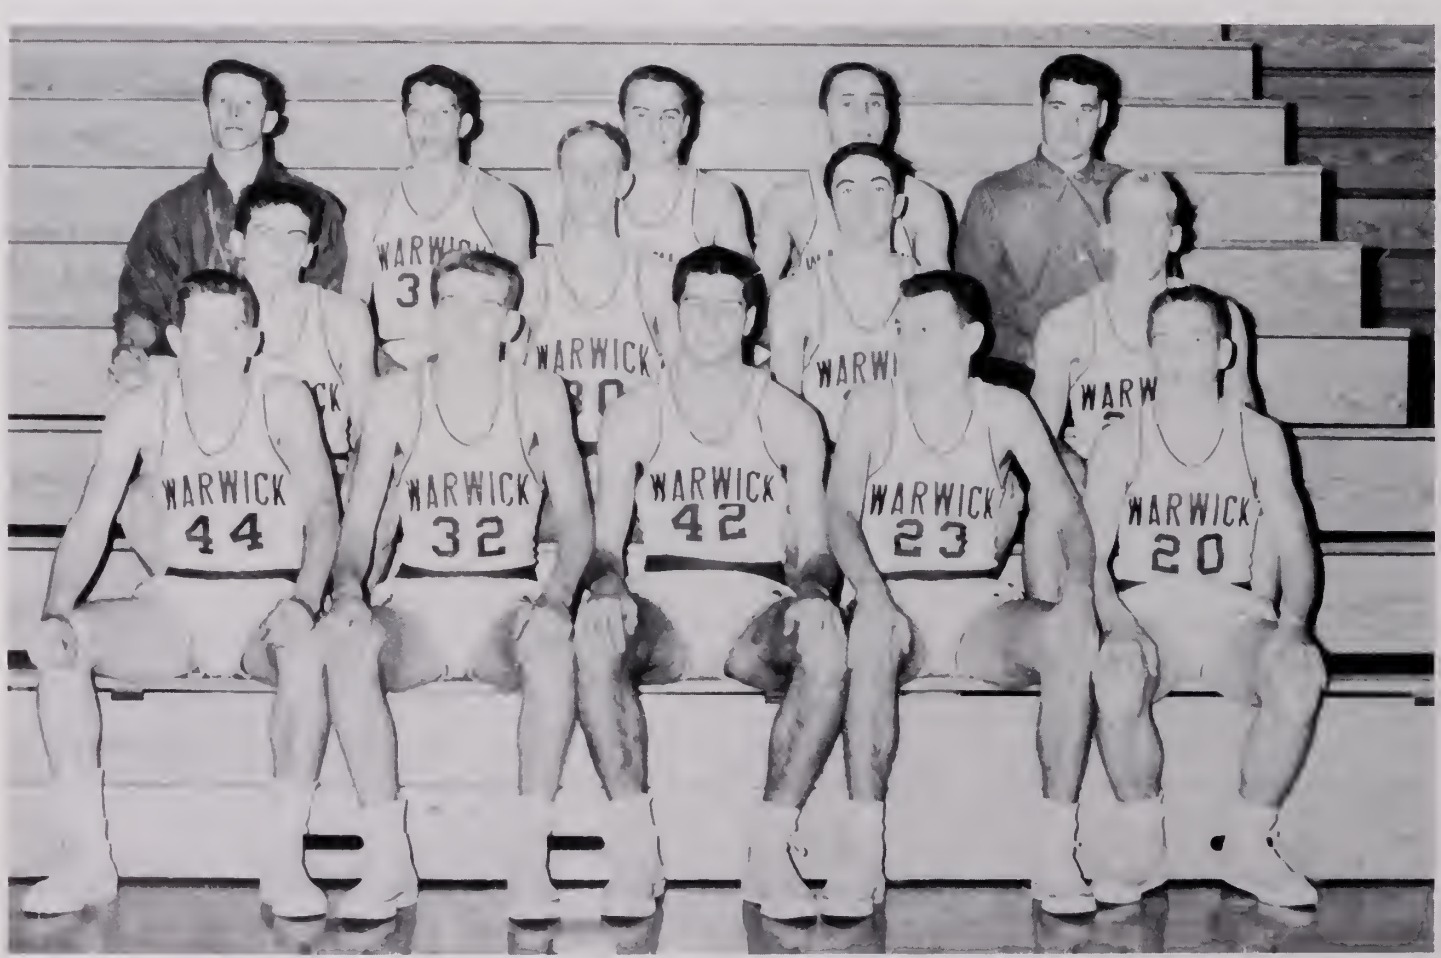
Warwick High's 1957-58 basketball team had to overcome an old nemesis—inexperience—under new Coach Wilbur Thompson, but the Farmers matured quickly enough to win 13 of 20 games and finish fifth in the 12-team Eastern District race. Nevertheless, it was a successful season. The Farmers poured in a total of 1,137 points, believed to be a new school record, and averaged 56.9 points per game. In addition. Warwick had a fine 48.5 defensive average. third best in the district.

Co-Captain Buddy Olney and Curt Edwards were the most consistent scorers, averaging 15.1 and 13.0 points, respectively. The other three regulars were Co-Captain Bart Partch, Val Hopkins. and Jay Lambiotte, a sophomore and the only returnee next season.

One of the season's highlights was the 50-48, last-minute thriller which the Farmers dropped to State Champion Newport News. Warwick's most outstanding over-all performance came late in the season when the Farmers upset strong Norview, 64-60. in the final minute of play after the lead had changed hands 15 times.

Lambiotte, Neal Bleakley, Jim Smith, and Douglas Gregory plus some promising junior varsity players, form the nucleus for the 1958-59 season.



First row: Larry Laughery, Douglas Gregory, Buddy Olney, George Geragi, Jay Lambiotte. *Second row:* Neil Bleakley, John Slaughter, Gene Moss, Jimmy Smith. *Third row:* Coach Thompson, Val Hopkins, Ted Racz, Bart Partch, *Manager* Preston Forbes.

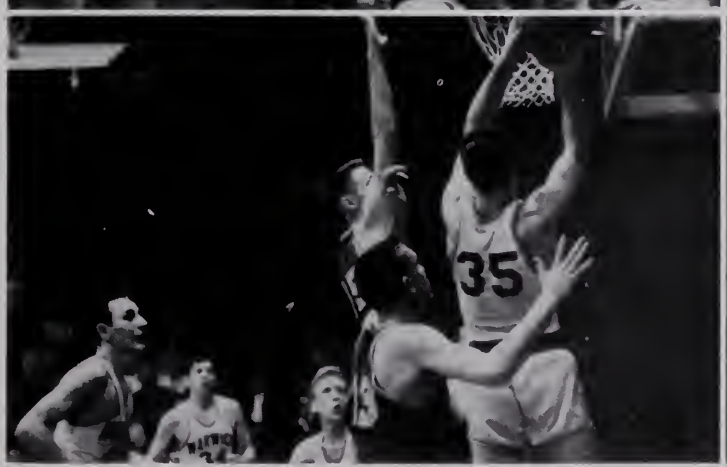
Buddy Olney succeeded in outjumping Jack Tesh of Newport News.

"And the score goes up another notch!"

Jay Lambiotte might be small, but he certainly was a large factor in the game against Hampton.



Curt was backed by the entire team when he approached the basket.

Once Curt Edwards got started against Norview, there was no stopping him.

Knock 'em dizzy!

Captain Phyllis Hockaday and Assist.-Captain Ann Ranson.

"Two bits, four bits, six bits, a dollar; all for Warwick stand up and holler!"

Asking us always to "stand up and holler" for Warwick High—our peppy Varsity Cheerleaders gave a "boost" to our athletic activities. Their undying pep and vitality were an inspiration to all.

In the maroon and white uniforms topped off by the maroon and gold letters, the girls presented a very pleasing picture.

To arouse our school spirit, pep rallies and assemblies were presented with unequaled vigor. The excitement and enthusiasm at these rallies and assemblies was contagious, and soon everyone was thrilled and anxious for the coming game.

When you heard them cheering, you could be sure that the cheers were coming straight from their hearts. Their pleasing smiles and cheerful attitudes were the little "spice" needed at the games to make them something special to remember. Without these nine constant reminders that "We're proud of our school," our games would have lacked the color and inspiration of organized cheering.

To the Varsity Cheering Squad of 1957-1958, a salute for a job well done.

Listen and you will hear the peppy girls cheer.

Warwick High's wrestling team posted a 6-1 dual-match record in the rebuilding season of 1958, finished second in the Group One Tournament and, for the second straight year, produced a State Champion in versatile Steve Bower.

Bower, a three-sport star, became the first Warwick wrestler in the sport's six-year history at this school to win consecutive State titles, the 141-pound championship in 1957 and the 148-pound crown this season.

Starting the season with only four regulars, Warwick ran its record-breaking streak of dual matches without a defeat to 28 before losing to State Champion Granby, 34-12, in the final regular-season meet.

Warwick's long frustrated Farmers ended a four-year stay in the Eastern District's second place with a steady array of hitting that lifted them into the 1958 baseball championship.

With Jim Snow handling the Farmers for the first time, the veteran-laden Warwick club received solid left-right pitching from Mike Bahr and Curt Edwards, Jr., as it defeated every team in the district but arch-rival Newport News. Over-all, Warwick won 11, lost 2, and was tied 6-6 in 11 innings by Woodrow Wilson of Portsmouth.

While the hitting of four regulars usually provided the victory spark, it was a fine one-hit, 1-0 victory over Granby on the combined hurling efforts of starter Bahr and reliefer Edwards that knocked the Comets from the undefeated ranks in the district and eventually carried Warwick to the championship.

Outfielder Larry Laughery provided Snow & Co. with their biggest surprise by winning the Peninsula batting championship with a .452 average, squeezing past Edwards, who had a .424 mark. Along with Laughery and Edwards, second baseman Bart Partch at .379 and catcher Jim Kellum at .309 also reached the coveted .300 mark.

Bahr, apparently heading for pitching stardom at Warwick, has yet to lose a game. He was 1-0 in '57 and 3-0 this past season. Edwards was 4-1; sophomore Lacey Epperson, 2-0; and veteran Val Hopkins, 2-1.

Jackie Poole awards Warwick, winer of the 440 at the Virginia Pilot Relays.

Warwick participated in dual meet competition for the first time in cross country.

The indoor track team did surprisingly well in placing second in the State Indoor Meet, with such stars as Snead and Bower.

For the third straight year Warwick went undefeated in dual meet competition, climaxed by a victory over Newport News.

In the Tidewater Meet, Snead finished first in high and low hurdles, the 100, and tied for first in high jump, to be selected outstanding performer of the meet.

Warwick did well in the invitational events of the Virginia Pilot Relays. Bower and Hudgins excelled in pole vaulting; Snead set a record in high hurdles; and the 440 relay team composed of Weeks, Abbott, Deans, and Snead placed first. Snead got outstanding performer trophy for this meet.

Warwick won the Eastern District Meet for the second straight year. All the boys made an excellent showing. The relay team of Schuster, Abbott, Insley, and Slaughter made a school record.

In the State Meet, Warwick finished fourth, 3½ points from first place in the closest meet in its history. Snead, Deans, Bower, and Weeks did exceptionally well.

During the 1957-58 season, Snead set a record in the 100 and the high hurdles. Bower also set a school record in the pole vault.

The 1958 Golf team was the best in Warwick history. It was undefeated during regular season play, won the Eastern District Championship and the State Championship.

Ronnie Gerringer, a freshman, was medalist in the district tournament, and also best player in the State. Roy Hyle, a junior, and Morris Johnson, the only senior on the team, were State tournament players also. Wayne Spencer, a sophomore, won six matches and played in the district tournament.

Fred Lanier, a junior, was an alternate.

"Where there is a will, there is a way." This was the motto of the Warwick tennis team during the 1958 season. Playing all matches away because of no home courts, the tennis team did exceptionally well. The boys constantly displayed outstanding citizenship and sportsmanship, not to mention the fact of winning five and losing five matches. This constitutes the best record in the history of Warwick's tennis team and gives hope for the future, when we shall see Warwick High tennis courts.

We are very proud of the nine outstanding girls who made up our 1957-'58 Junior Varsity cheering squad. Their enthusiastic cheering had a definite place in the victories of the J.V. teams.

While there were six veterans on the squad, there were also three new voices added. All of them learned something new, either by teaching or learning new cheers. The girls all worked hard at practices so they would meet the standards of the past J.V. cheerleaders.

So, all you Warwick students, not only give the teams a yell, but also let's give the J.V. cheerleaders a yell for the fine job they have done this year.

CLASSES

Freddie looked around this year, and for the first time, found only three classes. The new Junior High had helped our crowded halls and classrooms. The sophomores are still the youngsters at Warwick, even though they've been here for two years. The juniors have finally received their treasured rings, and the seniors, their hard earned diplomas. These things, along with others, added together to make this a successful year.

Sophomore Class Officers

Joyce House, *Sec.-Treas.*, Camp Tolley, *Pres.*, Bobby Bryant, *Vice-Pres.*

The journalism class is one of the most interesting of sophomore classes.

As we re-entered the hallowed halls of Warwick High, we had a feeling of expectancy of what was to come in this our third year of being underclassmen.

This year we truly became a working part of our Alma Mater as we participated in various school functions including those of our Student Co-operative Association. The S.C.A. committees, Council and Congress found many hard at work to support them. The magazine sales and activity ticket were also helped by these hard working sophomores.

Many of our number added to the strength of Varsity and Junior Varsity teams, and the J.V. Cheerleaders cheered them on to victory.

Showing the talents of our class, a large number participated in the plays, assemblies, and concerts.

Although we are eagerly looking forward to our Junior year, we shall never forget our teachers, advisors, and joys of our Sophomore year.

We were juniors at last! We had waited three years to become upper classmen, and our junior year was all we had expected. The day we received our class rings was one we shall never forget. Everyone was proud of his choice and found it delightfully necessary to display his pride and joy.

Our classmates participated in the school plays, concerts, assemblies, and band. Exceptional talent was displayed at many school functions by these groups. In fact, the Junior Class of '58 even claims Warwick's Drum Major. Representatives in Congress, Executive Council, and Honor Council spoke for the Junior Class while others were on every S.C.A. Committee. They planned the dances, Recreation Nights, magazine sales, and other special functions at Warwick.

We claimed seven peppy girls on both cheering squads and many sports-minded boys on the various teams. We also helped beautify the football field with our three prettiest girls at Homecoming.

For the very first time our classmates assumed positions on The *Earle*, The *Warwick*, The *Plough* staffs and were selected as ushers or as members of the A Cappella Choir.

Indeed, it was an exciting year. The Prom, for which we had industriously planned so long, was a wonderful success. Yes, everyone will always remember our impressive year as Juniors at Warwick High.

Evening in Shangri-La

"When you're somewhere and that's where you want to be, that's Shangri-La." This is how the seniors felt at their prom on May 10, 1958. Centered around the theme "Shangri-La," the cafeteria was illuminated by colorful Japanese lanterns. Each enchanted couple crossed a bridge surrounded by ivy, flowers, and pools of water into an oriental world. The names of the seniors were announced as they stood atop the bridge. Blair Blanton helped the mood with his music. At intermission, the seniors formed a circle and sang "I'll Walk With God," their class song. The refreshments, music, and dancing helped make "an evening in Shangri-La" a memorable one.

Juniors and seniors and their dates dance to the theme song, "Shangri-La."

Kitty Dyke and escort pause for a moment of rest beside the lily pond.

The backdrop which the juniors so diligently prepared is that of an oriental fantasy.

Buddy Olney leades the Class of '58 in their song, "I'll Walk With God."

Annette Poindexter serves refreshments to the weary dancers.

Senior Class Officers

Committee chairmen have many pertinent questions to decide.

Although our way of life is always changing, these changes either take place so quickly or so gradually that they pass without our noticing them. As seniors, a most important change is taking place—we are being carried almost magically through the door to our future. It is hard not to regret leaving the most wonderful days of our lives, but these days can always be relived in our memories.

It seemed just like yesterday when we awoke as eighth graders. At times we were apt to be a little starry-eyed or too sure of ourselves, but at the same time we were preparing ourselves for our senior year.

Our eighth and ninth grade years slipped by quickly, and our sophomore year without our realizing it. Then came the first thrill of being upperclassmen. How proud we felt, and at that time no task of responsibility seemed too great for us to take care of, and tackle vigorously.

The days passed swiftly, and finally the time came when we—yes, the rats of yesterday—were seniors. Deep down inside, it felt just like another school year, but week after week the senior homerooms became the dwelling place of nobility. But much to everyone's surprise, we continued to be just plain students.

We were proud of all our contributions to the sports world, the dances, and of all our leaders in our student government. Yes, we indeed had something to be proud of!

The dreaded final exams, which we thought would never come, and all of the wonderful graduation activities filled our last days in Warwick.

Many Warwick Students Won Honors

The cheer "Are you proud of your school" doesn't confine itself only to athletics. We at Warwick are indeed proud of the students who have brought honor to their alma mater through activities in varied fields. This year we had finalists in the National Merit Scholarship competition, the national winner of the Propeller contest, champions in athletics, music, and science, as well as honors won in civic club and school activities. We pause here momentarily to salute these people for a job well done.

OUTSIDE HONORS: Pat Foutz, VFW Auxiliary; Bill Primavern, Rebecca Wyatt, Voice of Democracy; Jack Clough, Lucy Mitchell, American Legion; Nancy Oberseider, Propellar Club; Jane Monfalcone, Homemaker of Tomorrow; Deqpanta Collingsworth, Elsie Jorden, Wildlife Essay; Ann Ranson, D.A.R

SCHOLARSHIPS: A. J. Coffman, Randolph-Macon; Colin Blaydon, Mary Marshall, National Merit; Neil Drummond, WRVA, P.T.A. Federation.

ATHLETIC AWARDS: Donald Snead, Track; Steve Bower, Wrestling; Philip Webb, Football.

SCHOOL AWARDS: Richard Williams, Sportsmanship; Danny Adams, Loyalty; Hunter Swisher, Honor; Pete Cooley, Loyalty; Linda Zelle, Joanne Denton, Magazine Sales; Robert Bailey, Magazine Sales.

SCIENCE AWARDS: Andrew Bachman, Tommy Cheek, James Clemmons, Science Fair.

ALL-STATE BAND: Sunny Seay, Ray Hartless, Richard Epes.

FEATURES

Freddie paused here momentarily to reflect upon the final events of the year. He remembered how everyone had talked for days about the Senior Assembly and what a pleasant experience it was for both audience and participants; how all Warwick Farmers had applauded the choices for senior leaders and personalities; and finally when June 9th rolled around, how everyone regretfully bade a fond farewell to the Class of '58.

Charles Hughlove Rideout

Charles Hughlove Rideout, picked the "Best All Around" boy of the Senior Class of '58, is most deserving of this title.

Since the day this lad entered Warwick High School, he has vigorously participated in every activity conceivable. Charles, quickly learning to accept responsibility, led his class for three years as president; he served on the Honor Council, Usher Board and was a delegate to the Tri-City S.C.A. Federation. Now, this his senior year, he has led us through thick and thin as S.C.A. President, and has done a tremendous job in accomplishing most of the aims set forth in his platform. Some of these accomplishments included the installation of speakers in the cafeteria and creating wider participation on the S.C.A. committees.

A magnetic smile and a warm personality have been the outstanding trademarks of this senior.

Very deserving of a Senior Leader, Charlie plans to attend Hampden-Sydney College in the fall where he will study in the field of medicine.

Warwick High School will never forget you, Charlie, and you will always remain a part of its halls forever.

Virginia Anne Wilson, a well-liked Senior Leader, is known through the halls of Warwick by her sweet smile and friendly disposition.

Anne has participated in many of the activities during her high school career. She has been a representative on the Honor Council, a homeroom officer, and member of the S.C.A. Congress as well as S.C.A. and class committees. She also served as usher during her senior year.

Chosen by her classmates as one of the "Best Looking" girls at Warwick, Anne was also on the Homecoming Court and chosen by the football team to be Queen of the Court. As the delegate from Warwick, she was a princess in the Court of the International Azalea Festival.

Anne will enter Wake Forest College in the fall to further her education. We know she will continue to excel in all she does. Anne, we wish you all the success possible! You will long be remembered by all who have known you, especially by your friends of the Class of '58!

Virginia Anne Wilson

LEADERS

Jean Louise Rahn, with her sparkling personality and warm friendly smile, is a very deserving Senior Leader. Jean has the perfect combination of a spirit of co-operation and willingness to work which can easily be seen from the fine jobs she has carried out in her years at Warwick High.

She began serving on the Social Committee in her sophomore year, and became a very capable and active chairman in her senior year. She began to take an active part in the S.C.A. also in her sophomore year by representing her homeroom in the S.C.A. Congress.

Jean proved her capability of leadership in her junior year by acting as chairman of the Loyalty Committee and of a Prom Committee. In her senior year, as a delegate to the S.C.A. Federation and the Youth Forum, and as Senior Class Secretary and Committee Chairman, she served her school well. As a climax to her senior year, Jean was chosen "Most Popular" girl in the class.

Longwood, where Jean will probably major in some type of social work, will profit by gaining such a capable and enthusiastic girl as she is. We wish you, Jean, all the happiness your big, warm heart can hold.

Jean Louise Rahn

Aldine Jacob Coffman, Jr.

Aldine Jacob Coffman, Jr., better known as "A. J.," has done a fine job as First Vice-President of this year's S.C.A. His work in Congress and Executive Council readily reflects his leadership, his capacity to "think on his feet," and his nature to stand up for what he believes.

A member of the Key Club and Hi-Y, he has shown his willingness to follow as well as his ability to lead.

In addition to his outstanding scholastic achievements, he has still found time to do a little broad-jumping for the track team and to support all our athletic programs.

A. J. plans to enter the ministry after Randolph-Macon and seminary, where we know he will be as outstanding as at Warwick. The Class of '58 will not forget you, A. J.; good luck in all your endeavors.

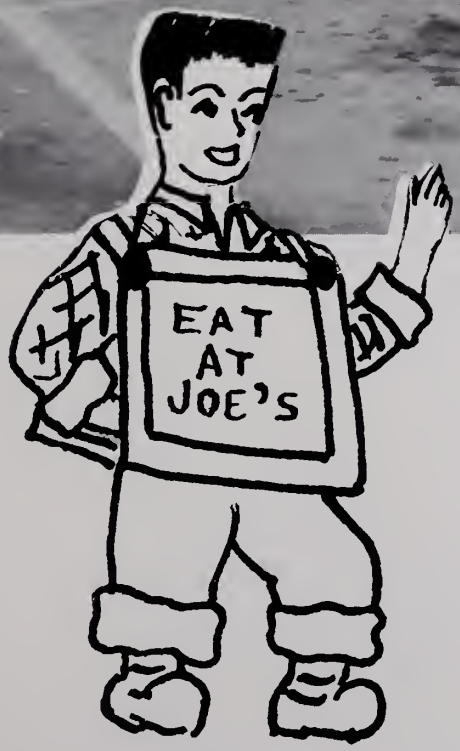
ADVERTISEMENTS



Freddie noticed during his little journey that the good relationship existing between Warwick High School and the community in which it is located is indicated by the splendid support which local merchants, through their advertisements, gave this yearbook. He urges each and every one of you to patronize the merchants who have helped us with *The Warwick*. To the merchants through Freddie, we extend a hearty thanks.

A tip for a miss who's extra special

If you are an alert young woman, you'll find an "extra special" job at the telephone company.

You'll meet lots of young people your own age . . . work in pleasant surroundings . . . receive good pay while you're being trained . . . get regular raises. And you don't need any experience!

Best of all, you'll be helping almost everyone in your community. Why not find out more about the advantages of telephone work?

ACKNOWLEDGEMENTS

As we leave Warwick in 1958 we would like to express our appreciation to the following who have helped us to publish this book:

NACHMAN'S STUDIO for taking our individual pictures

MR. GENE EDMONDS for taking our group pictures

THE EARLE STAFF for the use of snapshots

THE MYERS PUBLISHING COMPANY and MR. NEILL WATSON for their advice and the printing of this book

THE STUDENTS, FACULTY, AND ADMINISTRATION for their interest and cooperation throughout the year

MR. ED THOMAS for printing materials used by the staff

OUR ADVERTISERS for supporting this publication

MRS. BRUCE GRENOBLE, our adviser, whose patience, advice, and solutions to our problems made our job a success
